What is *ODA Today*?

A publication of the Ohio Dental Association, *ODA Today* serves as the main outlet for dental news in Ohio. About 75% of Ohio's dentists are Ohio Dental Association members, and by advertising in *ODA Today*, you can reach over 5,000 dentists and their staffs each month you advertise.

ODA Today readers look to the publication to provide the latest news and information on current events affecting dentistry, dental insurance, policies, legal issues, practice management, announcements, tips and other important member information. *ODA Today* is not a scientific journal.

ODA Today is published monthly, 12 times a year, and is mailed to all Ohio Dental Association members throughout the state of Ohio. Faculty and students at Ohio's two dental schools – The Ohio State University College of Dentistry and Case Western Reserve University School of Dental Medicine – also receive *ODA Today*.

Additionally, the June issue of *ODA Today* is mailed to all licensed Ohio dentists, giving you an opportunity to reach more than 7,000 dentists and their staffs at one time.
