You are making an impact!  

By believing in and supporting the ODA Foundation’s mission, you are making an impact on oral health in Ohio. Consider joining the ODA Foundation Board of Trustees to help choose grant and scholarship recipients that will continue to make the greatest impact.
Dear Friends,

For the second consecutive year, the ODA Foundation awarded more than $130,000 in grants and scholarships! And this year, the Foundation awarded a record high amount for access to care grants. We are exceedingly proud of what the ODA Foundation has been able to accomplish this year because of the generosity of donors who believe in our mission.

We are proud to share that in 2018, the ODA Foundation:

- Received 21 grant proposals and funded 10 organizations with grants totaling $47,500 from the Foundation’s general funds. These 10 organizations plan to provide 11,500 Ohioans with dental care because of the grant funding they received from the ODA Foundation.

- Awarded 13 scholarships to dental students, all of whom plan to enter an Ohio residency or practice dentistry in Ohio upon completion of dental school. This will have an even greater impact on oral health in Ohio as they serve Ohioans throughout their careers as dentists.

In 2018, we launched the ODA Foundation’s Annual Circles of Impact, a creative way of visualizing the effect a certain annual giving level has on oral health in Ohio. Donors are able to multiply their impact by moving upward toward another circle or impact level. We greatly appreciate the 911 donors who joined the ODA Foundation this year as Champions, Humanitarians, Philanthropists and Altruists through their generous gifts to the Foundation. It is because of these donors that the Foundation was able to award additional grant and scholarship funding in 2018, making an even greater impact than in past years!

Thank you for joining with us to support the ODA Foundation. This is OUR Foundation and it has had a huge impact over the years by *Advancing Oral Health in Ohio!*

ODA Foundation Memorial Scholarships

DR. E. KARL SCHNEIDER II HUMANITARIAN SCHOLARSHIP

The Dr. E. Karl Schneider II Humanitarian Scholarship is awarded annually in memory of Dr. Schneider, who passed away during his year as chairman of the ODA Foundation in 2017. The scholarship recognizes one student for his or her efforts to improve the community. The 2018 recipient, Bryan Kuhlman, received the scholarship for his various volunteer involvements throughout his undergraduate and dental school studies.

“I am extremely honored and deeply appreciative to have been selected as the Dr. E. Karl Schneider II Humanitarian Scholarship recipient. As I move forward in my career, I will strive to practice the humanitarian spirit and commitment to community that was exemplified by Dr. Schneider.”

- Bryan Kuhlman, OSU Class of 2019

DARRYL DEVER ADVOCACY SCHOLARSHIP

The Darryl Dever Advocacy Scholarship is awarded annually in memory of the ODA’s longtime lobbyist to one student who excels in advocacy. The 2018 recipient, Anthony Matteotti, serves as the OSU ASDA legislative liaison and works closely with the ODA to engage dental students in lobbying efforts.

“I am honored and humbled to have been chosen as the recipient of the 2018 Darryl Dever Advocacy Scholarship. I have thoroughly enjoyed advocating for my patients and fellow providers, and will continue to do so in the future.”

- Anthony Matteotti, OSU Class of 2020

FORWARD EVER SCHOLARSHIP

The Forward Ever Scholarship is awarded annually to one student who demonstrates exemplary leadership in organized dentistry in memory of ODA past president and past ODA Foundation chairman Dr. R. E. “Jim” Snelson whose motto was “Forward Ever, Backward Never.” The 2018 recipient is Adel Hasan, who has committed himself to organized dentistry throughout dental school.

“I am honored to be selected for the Forward Ever Scholarship because of my leadership in organized dentistry. I want to continue this passion and hope to give back as much as Dr. Jim Snelson. Thank you!”

- Adel Hasan, OSU Class of 2019

DR. JAMES F. MERCER LEADERSHIP SCHOLARSHP

The Dr. James F. Mercer Leadership Scholarship is awarded annually to one OSU D4 dental student to recognize leadership in dental school and in the community. Gabriel Quinones-Betancourt was selected for his commitment to leadership both in dental school and in his community, especially for his efforts to promote minority involvement in the dental profession and for creating an initiative to raise funds for Hurricane Maria victims in Puerto Rico.

“Growing up, I was taught that no dream is too big, that if I wanted something all I had to do was work hard and go after it. The constant factor through all of my leadership roles and initiatives, both within and outside of dental school, has been my desire to dream big and my determination to make those around me dream even bigger.”

- Gabriel Quinones-Betancourt, OSU Class of 2019
