

Access to Dental Care Programs

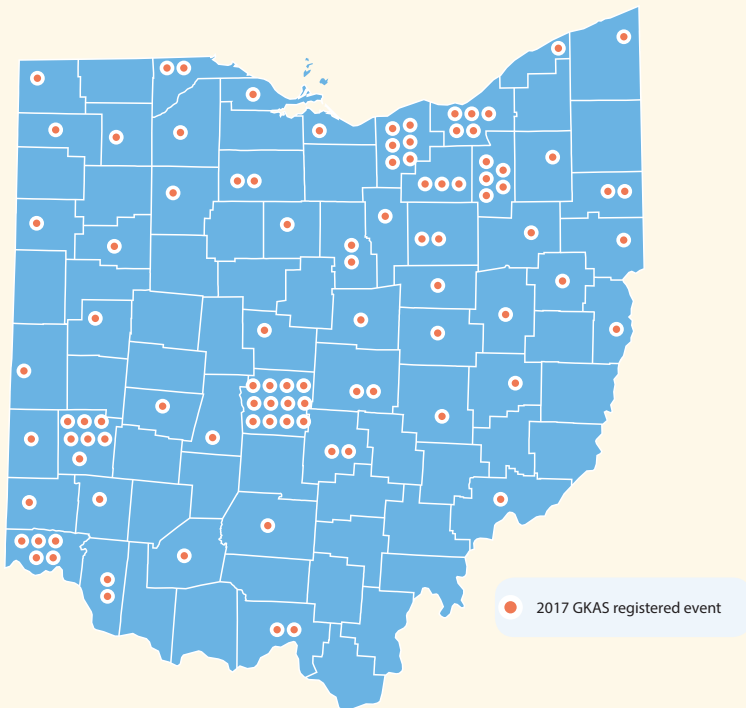

Give Kids A Smile

ADA Foundation™

One of the biggest annual events to help Ohio children is Give Kids A Smile (GKAS), a year-round children's access to care program. Dentists and dental professionals volunteer their time to provide screenings, treatments and oral health education to Ohio children.

2017 GKAS events in Ohio

1,934

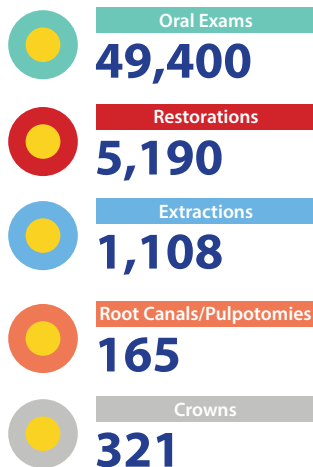

dentists and volunteers plan to:

hold **96** events

donate **\$800,000**
in dental care

to **17,882** children

Since 2010, the following services were identified and donated because of oral exams that children received at GKAS events:

SINCE 2003 →

Over **\$12.6 million**
in donated care given
to Ohio children

Over **236**
thousand
children served
