

# Volunteer Opportunities for Dentists

Are you looking for volunteer dentists to provide dental care at a public health center, access to care program (such as a mobile unit or weekly/monthly free care clinic) or special event? Complete this form and return it to the ODA Department of Public Service via email to [Kristy@oda.org](mailto:Kristy@oda.org) or fax to 614-486-0381 to have a volunteer opportunity listed on a members-only page of [oda.org](http://oda.org). Special event opportunities will be removed following the event. Dental clinic and ongoing access to care program listings will remain posted, but please contact the ODA Department of Public Service at 614-486-2700 if there is no longer a need for volunteers or information needs updated.
